UTSHPO concurs with the Utah Division of Oil, Gas, & Mining that the supplied treatment plan will adequately mitigate the loss of the historic properties being adversely affected. We will await the report and documentary materials per the timeline provided. This email and treatment plan will be added to the 9-8-404 Compliance Case File. Thank you for the continued diligence of DOGM and CS Mining in cultural resources compliance.

Chris

Hi Peter,

Attached you will find the Final DR Plan for the Sunrise Mine. I believe it is good to go this time. Thank you for the input.

Best,
